December 13, 2022

To whom it may concern,

This letter serves as certification that Newton Instrument Company is US owned and operated.

All distribution frames, telecommunications superstructure and equipment racks are manufactured and assembled at our plant in Butner, North Carolina, USA.

All raw materials are purchased through steel distributors and are sourced domestically in the United States.

Sincerely,

A handwritten signature in black ink, appearing to read "Stephen Bigelow".

Stephen Bigelow
Executive Vice President
Newton Instrument Company
